Nationwide®

E&S BROKERAGE CASUALTY

Exceeding expectations with claims excellence

At Nationwide®, we take pride in delivering on our promise through our superior claims-handling.

Our dedicated, in-house claims teams provide specialized claims-handling with a focus on building relationships and working in a collaborative manner. They provide the specialized and personalized support the insureds require for our Brokerage Excess Casualty Primary and Excess Casualty claims. At Nationwide, we:

- Provide a variety of primary and excess casualty products to tailor coverage to your unique and complex risks
- Offer dedicated service with experienced claims professionals licensed in all 50 states
- Leverage our long-standing relationships with the top defense law firms and individual attorneys across the country to get top outcomes for insureds

Experts in complex, high-exposure claims

Our claims team members have the expertise and certifications required to support claims of all size, from small to large excess exposures.

With our claims teams' specialized expertise, we're able to provide each claim with the team members who are best equipped to navigate its unique circumstances. In addition to dedicated service areas, claims team members have multiple levels of experience, and our most seasoned professionals are available to handle the most complex, high-exposure claims that come in.

With this tailored approach, we also offer brokers a single point of contact for each claim, so they know who to contact for help when a need arises.

Backed by the strength and stability of Nationwide

Finally, our unparalleled claims service is backed by more than 40 years of dedicated claims experience. We're proud to receive recognition year after year for the exceptional performance, leadership and service we deliver to our partners.
