

Nationwide®

E&S BROKERAGE CASUALTY

Construction

With more than \$650 million in direct written premium across our product offerings, we're proud to be a powerhouse in this space.

Our specialty is helping to place larger, more complex risks. When it comes to doing business, we offer a dedicated wholesale distribution network through appointed brokers. Reliable name recognition plus a long history of strength and stability mean you can have confidence when you recommend Nationwide®.

More about our expertise

Our dedicated team of underwriting professionals focuses solely on construction risks and has geographic expertise.

We offer a risk management and loss control partnership both in-house and through strategic relationships with top safety consultants.

A dedicated in-house claims team offers construction expertise and a renowned customer service experience.
